

Cedar Park Concession Stand Info

Here are a main things I will go over in this email: dress code, concession stand dates, arrival and departure times and a quick overview of the concession stand training.

1. Dress Code~ Everyone must wear **black pants and black shoes**, no jeans. A shirt and hat are provided, when you arrive. If you want to wear a long sleeved shirt underneath it must be black.
2. Parking~ You must park in the back of the lot on the north side. They charge non-workers for parking, so make sure you tell them you are working the concession stand and you do not have to pay the \$10.
3. Arrival- Everyone should try to be there by 4:30 or 5:00. The absolute latest you can get there is 5:45, but that should be an exception. We get charged \$50 if you are TABC certified and do not have your money in the drawer by 6:00pm. If you are a stand lead you will need to get there by 4:30. Please let me know if you are not able to get to the concession stand by 4:30. The entrance is a door next to the main doors on the north side of the Cedar Park Event Center. There is a label by the door that says "Check In".
4. Schedules-Please see below. Each person is required to work 2 times. The concession stand times were assigned. Some people are only working one event, but we will add more in the spring and possible the summer. If you have a conflict, try to switch with another Celeb parent and you can always send a mass email out to the group asking for someone to switch with you.
5. Stand Leads and Celeb Leads~ Have been assigned. Everyone works 2 times if you are working for the 2nd time and you are TABC you will most likely be the stand lead. (you have to arrive at 4:30) The Celeb leads are in charge of making sure the girls that are signed up to work, show up.
6. **TABC Certification:** Everyone that is TABC certified must bring their certificate to the event. They ask for it when you get there and you will not be allowed to work the concession stand without it.
7. Online TABC class-If you still need to take the TABC class you can take it online. www.savewayclasses.com If you type in the promo code "save" it is only \$14.95. Bring in your receipt and you can get reimbursed for the cost of the class.
8. No Show! If you are not there before 6:00 and you are TABC certified we get charged \$50. It is not fair to other girls if you pull a no show, they have to work harder. We also lose 1/6th of our profits.
